10,000 Nights of Thunder [Alphabeat]

I was not looking for arty farty love
I wanted someone to love completely
And someone more than weekly

I was looking for a decent boy
For a tender glance (o-o-oh)
For a safety dance (o-o-oh)

The Wuthering Heights
And the stormy nights

You give me 10,000 nights of thunder
But I will give them all back to you
'Cause you're so ooh, (du-du-du-du)
You're so ahh,(du-du-du-du)
You're so cool.

You came like a thief in the night and stole my heart
Ooh, like a solitude erasure
Like an elevator

And I know we'd do anything for love (oh yeah)
And it is you and me (woh-o-oh)
For all eternity (o-o-oh)

The Wuthering Heights
And the stormy nights

You give me 10,000 nights of thunder
But I will give them all back to you
'Cause you're so ooh, (du-du-du-du)
You're so ahh,(du-du-du-du)
You're so cool

(Baby you're so super-supreme-di-ba-be-di-oh)

It feels like 10,000 nights of thunder
When I spend the one with you
'Cause you're so ooh,(du-du-du-du)
You're so ahh,(du-du-du-du)
You're so cool

(Baby you're so super-supreme-di-ba-be-di-oh)

Baby baby you're irresistible and I'm insatiable (uh
uh uh-ooh)
Yeah love is an ocean of sweet emotion
(sweet emotion)

You give me 10,000 nights of thunder
But I will give them all back to you
'Cause you're so ooh,(du-du-du-du)
You're so ahh, (du-du-du-du)

You're so cool
(Baby you're so super-supreme-di-ba-be-di-oh)

It feels like 10.000 nights of thunder

In 2008 I also visited Burkina Faso in West Africa (former Upper Volta) to cover the UN and DANIDA help programs in the fields of education, health, human rights, water supply and entrepreneurship.

Apart from interesting experiences and hundreds of photos documenting effective help, I met a lot of positive and interesting people.

So here you are, 7 portrait of Africa.
